

## KNTI FOR THE CURE®

Sunday, March 14, 2010  
Dodger Stadium

**HOW?** Grab some yarn and your favorite pair of needles and knit or crochet a hat, scarf, hand-warmers (really, anything your heart desires) and incorporate pink in any way, shape or form.

**WHEN?** Drop off your work of (he)art at any of the yarn shops listed below by Saturday, March 6<sup>th</sup>.

**WHY?** Because 10 million women around the world could die from breast cancer in the next 25 years, and we can help reduce that number.
